Re: *Chevron Corp. et al. v. County of San Mateo et al.*, No. 20-884  
Motion to Extend Time to File Response to Petition for Writ of Certiorari

Dear Mr. Harris,

I am counsel of record for all Respondents in the above-captioned case. The petition for a writ of certiorari in this matter was docketed on January 4, 2021. The response is currently due on February 3, 2021. Pursuant to Rule 30.4, Respondents respectfully request that the time for filing a response be extended by 60 days, to and including April 5, 2021.

This extension of time is requested due to the press of counsel's litigation commitments in other matters, including preparing for the argument heard on January 19, 2021, in a related case, *BP p.l.c. et al. v. Mayor & City Council of Baltimore*, No. 19-1189, and preparing responses to two additional petitions for certiorari for which I am also counsel of record, *Chevron Corp. et al. v. Rhode Island*, No. 20-900, and *Chevron Corp. et al. v. City of Oakland et al.* (filed January 8, 2021, not yet docketed). The extension of time also would facilitate preparation of a response that the undersigned counsel believes would be most helpful to the Court. Counsel for Petitioners do not object to this extension of time.

Respectfully submitted,

/s/ Victor M. Sher
